

**REMARKS**

I. THE OBJECTION TO THE NOVEMBER 19, 2008 SUBMISSION AS NON-RESPONSIVE

The Office Communication asserts that the submission made on November 19, 2007 is a non-response to the final Office Action dated May 8, 2007. The submission made on November 19, 2007 was a submission to draw the Office's attention to related applications and to provide copies of documents submitted in related applications, **not** a response to the May 8, 2007 final Office Action. A response to the May 8, 2007 final Office Action was submitted on **October 26, 2007** along with a Request for Continued Examination. Applicants respectfully submit that the Amendment submitted on **October 26, 2007**, which can be viewed in the Office's Patent Application Information Retrieval in the above-identified application file, is fully responsive to the May 8, 2007 final Office Action and ask that the Office review and consider this submission. Applicants also believe that the fee for the five month extension of time to respond to the February 21, 2008 Office Communication should be refunded to Deposit Account No. 10-0750/PRD-2110-USANP/LAD.

II. CONCLUSION

Early consideration and prompt allowance of the claims are respectfully requested. Should the Office require anything further, it is invited to contact Applicants' representative at the telephone number below.

Respectfully submitted,
